

The Secret Agents

The Secret Agents will take you on a thrilling high-speed pursuit through the music of 1960s Jazz, Cinema, Pop, Rock, and R&B: the music that makes whatever you're doing simply *cooler*. *Suddenly, you're flying First-Class on Pan-Am sipping dry martinis in a svelte three-button suit en route to Las Vegas where you'll be dining with Steve McQueen at the Sands Hotel just before the Rat Pack show.* That's the level of cool we're talking about here...

The Secret Agents were formed in 2018 with one mission: to bring the sounds of the '60s back into the mainstream by celebrating the music of Bobby Darin, Mel Tormé, Henry Mancini, Lalo Schiffrin, Johnny Rivers, Chet Baker, The Buckinghams, Del Shannon, The Association, and so many more!
